## Membership in The Graduates

The Graduates is an organization of friends who want to extend the positive experiences of their membership in Santa Barbara Newcomers, and who qualify for membership upon Newcomers graduation. **To keep The Graduates vital, meaningful and fun, members must be willing to participate as an event chair or active event committee member each year. Members are also urged to create interesting events!**

Graduates events are announced to members by e-mail and web-page. Members are urged to contribute event ideas!

## Your Application

All areas of the application should be filled out completely by each person applying for membership (spouses or significant others qualify for membership along with the graduates applicant). The membership year is from January 1 through December 31 and dues are **\$25.00** per person, per year. New members may join after August 1 for **\$12.50**, or in December for **\$25.00** covering 13 months. After renewal notices are received, succeeding years' dues are required to be paid during January each year.

The Graduates board grants membership approval. You will be notified by e-mail when your application is approved. Please furnish your preferred e-mail address with this application.
